Women's Vote Centenary

It is 100 years since women got the right to vote in this country.

To celebrate we are running 2 events for women with learning difficulties.

On 12th October there will be a chance for women with learning difficulties to question MPs and local councillors. Both Leeds women MPs have agreed to come. We will also have councillors from 3 parties.

The day before (11th October) women with learning difficulties will get together to learn –

- How women got the vote
- About how government works

They will also decide what to ask the politicians the next day.

A booking form is enclosed.

If you have any questions please give Cathy a call ☎ 0113 270 3233
