My Life My Way

We are running 4 new short courses.

They will start in April with a course about making and keeping friends.

In May the course will be about building the confidence to speak up for yourself.

The course starting in June will be about being safe at home, outside and on the internet.

Finally after the summer break there is a chance to learn about politics. Learn what local and national government does and how you can influence your MP or councillors.

There is a booking form with this newsletter.

2019 Number 2

LEARNING DISABILITY PRIDE 2019

Learning Disability Pride

We are planning to celebrate Learning Disability Pride in June 2019.

This is to celebrate being proud of having learning disabilities.

We are going to do a Pride march at Temple Newsam on Friday 21st June.

This is one of the ideas people had for slogans when we met in February

Give us a call if you want to join us.

A Chance to learn what councillors do

Advonet, Connect in the North and Tenfold are going to a Council Meeting at the end of March.

We are asking councillors to spend a day with someone with learning difficulties.

This is a chance for people with learning difficulties to learn about what councillors do. It is also a chance for councillors to learn about the issues people with learning difficulties face.

We will send out more information about how to get involved later in the year.

Rooots

Has a new team member.

Nicholas Garvey joined the team on 20th February.

Nicholas also works at SLATE.

We are all looking forward to stamping out bullying with his help.

Give us a call if you want us to run Stamp Out Bullying for you.
