A Chance to learn what councillors do

Advonet, Connect in the North and Tenfold went to a Council Meeting in March.

We asked councillors to spend a day with someone with learning difficulties. They agreed.

This is a chance for people with learning difficulties to learn about what councillors do. It is also a chance for councillors to learn about the issues people with learning difficulties face.

We hope that this will happen before Learning Disability Week. We do not have the dates yet.

If you want to take part there is a form with this newsletter.

You must get it back to us by 13th May.

Being Social

On 18th September we are having an event at the Sugar Mill.

There will be lots of people from different companies. They will be able to tell you about different things you can do which are fun and where you could make new friends.

Come at any time between 10.00 AM → 2.30 PM.

We hope you will pop in to see what new things you could do.
